

Celebrate National BINGO Day with Census 2020!

The U.S. Constitution mandates a census of the population every 10 years. Census 2020 will count everyone who lives in the U.S. as of April 1, 2020. Census statistics help determine the number of seats each state holds in the U.S. House of Representatives and how billions of dollars in federal funds will be allocated by state, local, and federal lawmakers every year for the next 10 years. Funds for schools, programs to enhance life for youth and older loved ones, healthcare, infrastructure, building new businesses....and so much more. Enjoy exploring [Census 2020](#) and the [United State Census Bureau](#) (USCB) today!
